

Hunted by demons

The Ecstasy of Saint Theresa

Kill me
Break me
All
Be on my side
Never let me down
Keep coming closer
Hold me
You're the one
I'm going for

Let me just once see your face
Give me a sign
If you leave

(rap)

1
knock knocknock I get back another aspects.
yo I got miracle gymnastics.
Wanna ?dan?
but then again
before spastics tactics way???

2
cos I think on of break of a brand new crime.
it's fine. I can lay it out any time.
if you know
if you really flow
as i got you really turned around for ???..go?

3
Come on baby! Cos I ain't scary
like feaken(?) breakers in a cementary.
Get hunk
they race at young
giving you a taste of what's the ???

4
it's not the check this is out foot with won // want
And you believe that cornth of the warmth.
Cos that's nonsense
i'm so intense I'm like consider an...context?

5
Come on everybody and just look around
Death brings a bell on the clock downtown.
the sanding is (on the/other) hand ?what's? ?down?.
it's same start (sinister?) round town anyw?a??
(Never let me down)

6
So i think we're extinct and it's just the time.
that's why ray would think of piece of line. (lime?)
who can tell
heaven or hell
just (come ?foot?/compute/ can p???) when showing tell (show intel? =)
