### The Ecstasy of Saint Theresa

Felt in love again  
Why  
Disordered minds  
(guarantinca nation drifting trancey)  
Unfamiliar smile  
For a while  
To weak to sick for freak-vency

Miss calculating incline  
Open wide  
Tickle and jiggle  
In a rigidity giggle

Irresponsible mind  
Of human kind  
Makes, create, produce, fabricate  
Fickle
