

Winter 22

The Ecstasy of Saint Theresa

I'm fallen now
I'm so exhausted
My dream's taking me away
They are coming to me
I'm so excited
And I
And I
I'm there

So follow me now
I was there
Like you
So follow me now
I was there

In front of your eyes
I'm so exhausted
My dream's taking me away
They are talking to me
I'm so excited
And I
And I
I'm there

(Follow me now)
So follow me now
I was there
Like you
(Follow me now)
So follow me now
I was there
