

# Celebrate Your Mother

## The Eighties Matchbox B-Line Disaster

Celebrate your mother  
You'd celebrate your father if he's sleeping  
with your sisters and your brother and your mother  
But you're always late so today celebrate

So celebrate your mother  
You celebrate with Mary Jane and Billy  
Uncle Charlie and the others

Cause you lost it bad  
How you feeling now  
You're sniffin' drinkin' poppin' pissin'  
'Cause you think it's rock n' roll  
I said you lost it bad  
How you feeling now  
When you celebrate today  
Celebrate

So celebrate your mother  
You'd celebrate your father if he's sleeping  
with your sisters and your brother and your mother  
But you're always late so today celebrate

It's coming for your mother  
Human soul consumin' roarin'  
All the rabid mouths are foamin' for your mother  
And like a birthday boy  
You've got to do it well

Saw you once and I had to get up again  
Saw you once and I just partied my friend  
Because a man never lost, I wanna live forever  
No, a man never got lost down in the cellar

Saw you once and I had to get up again  
Saw you once and I just partied my friend  
Because a man never lost, I wanna live forever  
No, a man never got lost down... Come on!

I want to fuck your mother!  
It's a dirty job but someone's got to do it well  
And please don't tell your father  
'Cause I'll fuck him as well

I know that you are the best in the world  
You say you're drinkin' poppin', pissin'  
'Cause you think it's rock n' roll  
I know that you are the best in the world  
When you celebrate today  
Celebrate it all
