

Rise Of The Eagles

The Eighties Matchbox B-Line Disaster

I wanna fly like an eagle
I wanna sing like Sinatra
I've got a date with destruction
I wanna love like a mother

I wanna fly like an eagle
I wanna sing like Sinatra
I've got a date with destruction
I wanna love like a mother

Listen up let the lesson begin
Cus you're wrong and you know how to sin
As we dance on the razors edge
As we dance they all heard him said

I wanna fly like an eagle
I wanna sing like Sinatra
I've got a date with destruction
I wanna love like a mother

Your asking why it must be this way
As we're heading for a dying day
In a hole you'll be lying dead
In a hole they all heard him said

All dressed up and ready to go
All dressed up and ready to go
I'm all dressed up and ready to go
I'm all dressed up and ready to go

I wanna fly like an eagle
I wanna sing like Sinatra
I've got a date with destruction
I wanna love like a mother

It's not your fault you're the living dead
Cause you were taught just to nod your head
The race of man is a dying breed
The race of man is a burning seed
Listen up let the lesson begin
Cus you're wrong and you know how to sin
As we dance on the razors edge
As we dance, we all heard him said

All dressed up and ready to go
All dressed up and ready to go
I'm all dressed up and ready to go
All dressed up and ready to go

All dressed up and ready to go
All dressed up and ready to go

All dressed up and ready to go
I'm all dressed up and ready to go

I wanna fly like an eagle
I wanna sing like Sinatra

I've got a date with destruction
I wanna love like a mother

I wanna fly like an eagle
I wanna sing like Sinatra
I've got a date with destruction
I wanna love like a mother

I wanna fly like an eagle
I wanna sing like Sinatra
I've got a date with destruction
I wanna love like a mother

I wanna fly like an eagle
I wanna sing like Sinatra
I've got a date with destruction
I wanna love like a mother
