## **Time Is Coming**

Time is coming to heal our wounds time is coming it's coming soon so grab your coats grab your hats grab my baby we will never coming back Time is coming to heal wounds Hell come quick lightning my load to the day . will you hold me when I cry will you miss me when I die

God isn't on your side your not even on His mind ...pass you by time is coming to heal time is coming to get through I put my . up I gave my best I got knocked up and . the rest time is coming to heal the wounds **The Elected**
