Silent To The Dark

The Electric Soft Parade

Small talk on the radio
It seems I am going nowhere today

Small talk gets you nowhere choose Between a curtain or a star And I'm silent to the dark

'Cause when I needed someone to talk to You were the only one around Small cost, it pays to be alone

Small talk on the radio
It seems I am going nowhere today
(Not today)
Small talk gets you nowhere
I'm silent to the dark and tepid
Only when you ask

'Cause when I needed someone to talk to You were the only one around Small cost, it pays to be alone

When I needed someone to talk to You were the only one around Small cost, it pays to be alone

And you can do anything you want Yeah you can anything you want You can do anything you want It doesn't matter It doesn't matter

'Cause when I needed someone to talk to You were the only one around Small cost, it pays to be alone When I needed someone to talk to You were the only one around Small cost, it pays to be alone

When I needed someone
To talk to
To talk to
To talk to

'Cause when I needed someone to talk to You were the only one around Small cost, it pays to be alone
