

Don't Ask My Neighbors

The Emotions

You're wondering if I care about ya
Is there's some cause that I should doubt ya
Oh I can see boy that you don't know me very well
You're so unsure

And you run here and there to ask my feelings
Friends only guess, they can't really say

Don't ask my neighbors
Don't ask the friends I hang around
Don't be afraid to come to me
Don't ask my neighbors, come to me
Don't be afraid of what ya see
You'll find I love you, come to me
Don't be afraid

You ask all my friends if I'm the same girl
You don't understand, you think I'm changing

Don't ask my neighbors
Don't ask the friends I hang around
Don't be afraid to come to me
Don't ask my neighbors, come to me
Don't be afraid of what ya see
You'll find I love you, come to me
Don't be afraid

Don't ask my neighbors, come to me
Don't be afraid of what ya see
You'll find I love you, come to me
Don't be afraid

Don't ask my neighbors, come to me
Don't be afraid what ya see
You'll find I love you, come to me
Don't be afraid
