

# Had Enough

## The Enemy

Give me a, good enough reason  
Why I should not, cut you down  
You're been taking too much  
Ever since you started hanging round, this crowd

And I've had enough, had enough  
Yes you let me down, let me down  
And now I'm giving up, giving up  
Yes I'll see you round, see you round and now now

Hey hey  
What's the matter with your face, face?  
When you have it your way, way  
Won't you give me some time, to understand you're mine?

Ooooo it's alright  
ooooo it's alright

Let me say what I want  
Don't you know what was on the tip of my tongue?  
If you opened take a look outside  
You will see, you're wrong

And I've had enough, had enough  
Yes you let me down, let me down  
And now I'm giving up, giving up  
Yes I'll see you round, see you round and now now

Hey hey  
What's the matter with your face, face?  
When you have it your way, way  
Won't you give me some time, to understand you're mine?

Ooooo it's alright  
ooooo it's alright

Had enough  
Had enough  
Had enough  
Had enough  
Had enough  
Had enough  
(Let me down)  
Had enough  
Had enough  
(See you round)  
Had enough  
Had enough  
(Let me down)  
Had enough  
Had enough  
(I'll see you round)

Hey hey  
What's the matter with your face, face?  
When you have it your way, way  
Won't you give me some time, to understand you're mine?
