

Conclusion Of Existence

The Envy

It is the origin of the language. It is the origin of the Creation.

Repeat the production. Create miracles.

Relationship ends here. Share the joy.

Preparation is the art. It is the conclusion of the Existence.

Evidence is overflowing and confused. This is the very Last evidence.

The times of exploitation go on. Problems change their

Shapes and repeat themselves.

The increase changes everything. They interrupt in the Middle of the conversation.

Inventions made and destroyed. The sins chase you at all Times.

Dear you. The surface has been polished and the desire is Swelling up.
