The Envy

All I need in this life is a couple real friends
World peace, peace of mind, love from my fam
Pretty girl and she love me for who I am
Mic in hand to show the fans my appreciation (I Love em')
I need money to buy a house down in Africa
My family's depending on me, I need to stack it up
How? Maybe a track that goes platinum
Catchy beats, that is non', Nasty Kutt master them
I see you got a lot on your mind, well me too
I find it hard to let it out just like you
When you can't let it show, I know how it feels
Me and you, you and me, we go together
Beautifully

(All I need is one song)
To give my family that feeling
I'm never gonna leave em', I love em'
(All I need is one song)
To show my girl that I care
Baby I'm all yours, I'm right here
(All I need is one song)
And I'm loving how I'm feeling
Glasses to the ceiling, raise it up
(All I need is one song)
I wrote this song for you
(One song)
I wrote this song for you
(One song)

All I, all I need is my fam to be free
And my people to be happy and for misery to leave
All I, all I need is this, wait, all I need is that
I got everything I need, but want to need everything I lack
I used to have a girlfriend, she was just a girlfriend
She thought she was my girlfriend, and now she not my girlfriend
All I need is me and my mind to stay sane
Im tryin'a learn from every fall so pain won't be invain
And everything gon' change, left the station on the train
I'm on the right track with a smile on my face
Cuz all I, all I need is for you to stay strong
All I, all I need is, all I, all I need is

(All I need is one song)
To give my family that feeling
I'm never gonna leave em', I love em'
(All I need is one song)
To show my girl that I care
Baby I'm all yours, I'm right here
(All I need is one song)
And I'm loving how I'm feeling
Glasses to the ceiling, raise it up
(All I need is one song)
I wrote this song for you
(One song)

Trying, trying, trying baby
Tryin'a , tryin'a show my love
Trying, trying, trying baby
Tryin'a , tryin'a show my love

Hey, and I'm loving how I'm feeling
Glasses to the ceiling, raise it up, raise it up
Hey, and I'm loving how I'm feeling
Glasses to the ceiling, raise it up, raise it up

I want it, I need it
I want it, I need it

(All I need is one song)
To give my family that feeling
I'm never gonna leave em', I love em'
(All I need is one song)
To show my girl that I care
Baby I'm all yours, I'm right here
(All I need is one song)
And I'm loving how I'm feeling
Glasses to the ceiling, raise it up
