

Things I Could Never Find A Way To Say

The Ergs!

Ummm, so...

I was wondering if maybe
You could do something next Friday
Cause I think your band is pretty great
And your hair looks really cute that way

And I know this might seem sudden and crazy
But these are the things I could never find a way to say

And if you'd be my girl
It would be so cool
If you'd be my girl
It'd be so indie rock
It's a shame
