

# Things I Could Never Find A Way To Say

The Ergs!

Ummm, so...

I was wondering if maybe  
You could do something next Friday  
Cause I think your band is pretty great  
And your hair looks really cute that way

And I know this might seem sudden and crazy  
But these are the things I could never find a way to say

And if you'd be my girl  
It would be so cool  
If you'd be my girl  
It'd be so indie rock  
It's a shame
