

Upstairs-downstairs

The Ergs!

I know I'm crazy
I know I'm stupid
I know you're ok
I know I blew it.
I know you don't think much of me
I couldn't blame you cause I'm the one who broke your heart.
I know that its pretty f**king pointless
Trying to make some peace cause you're happy leaving me behind.
I know that if you saw me on the street
You would walk right past,
You wouldn't even see that we used to be this close
We used to be like best friends,
Now you don't care anymore,
Now you can't believe what I did
To you
To you
To you.
I can't believe what I did
To you
To you
To you
To you.

Upstairs, downstairs, upstairs, downstairs.
