

## Staring At The Sun

The Escape Club

Sitting on a wire fence  
Staring at the sun  
Fighting don't make no sense  
Staring at the sun  
We are only poor men  
Staring at the sun  
Walking through the dust again  
Staring at the sun  
Wanting to feel the rain  
Staring at the sun  
We are only poor men  
Nowhere left to run  
Warriors and tall men  
Staring at the sun

Dancing for rain  
Walking in the dust again  
Dancing for rain again  
Dancing for rain  
Until the river runs again  
Dancing for rain again  
Looking out though iron bars  
Staring at the sun  
All eyes in africa  
Staring at the sun  
We are only poor men  
Nowhere left to run  
Warriors and tall men  
Staring at the sun
