

## Sin City

## The Essex Green

Sin city  
Please don't take  
My lover's heart, for mine will break  
It's no Pittsburg  
Please don't go  
Ohio

You can take a tug there, oh, take a train  
Either way, I ain't going  
It's no Pittsburg  
Don't you go  
Ohio

And I could see her lying in the valley  
Down below  
I could smell the green of those hills  
Those Kentucky hills

So take a tug there, oh, take a train  
Either way, I ain't going  
It's no Pittsburg  
Please don't go  
Ohio

Ohio...
