

## Minding Ones Business

The Evens

One everybody clear your mind and take a breath  
Two everybody wipe your eyes and take a sip  
Three everybody look away but trust yourself  
Four everybody know the way you know yourself  
Five everybody lose the map of discipline  
Six everybody rediscover understand  
Seven everybody see yourself as you come in  
Eight everybody turn around and start again  
On the floor is a lie  
follow it or intertwine  
You can't run so walk it  
You can't walk so crawl it  
you can't crawl your falling  
you can't fall your falling  
Sometime you'll find that your going forward backwards  
On the wall is a sign  
say the words or define  
if you could read it  
you could conceive it  
and stop repeating defeated being  
is high along ride  
On the mind is a mind  
think of it or combine  
it does affect you  
it does connect you  
watch it reflect you  
you want to protect it  
sometime you'll find that it's found before you seek  
do you ever wonder where it is your wondering?
