

# You Won't Feel A Thing

The Evens

They don't want you to understand  
they don't want you to understand  
sit back, relax, let go  
you won't feel a thing  
formulation with no end  
a bunch to comprehend  
count down from ninety nine...  
Ten words certain are vague calling for a plague  
count down from ninety nine...  
they'll beat you with the truth so you won't feel the lies  
they'll beat you with the truth so you don't feel the lies  
sit back, relax, let go  
you wont feel a thing  
you won't feel a thing  
they'll tell you everything but they won't tell you anything le  
t go  
they'll tell you everything but they won't tell you anything le  
t go  
they'll tell you everything but they won't tell you anything le  
t go  
they'll tell you everything but they won't tell you anything le  
t go  
you won't feel a  
you won't feel a  
you won't feel a  
you won't feel a  
you won't feel a thing  
you won't feel a thing  
until the day you wake up  
until the day you wake up  
until the day you wake up  
until the day you wake up  
until the day you wake up...
