

# A Voice Within

The Everly Brothers

The scene is wild  
The lights are dim  
The girls are fast  
But I hear your voice within  
(Then I know)  
And then I know (Know for sure)  
I know for sure (I know for sure)  
I'm still in love with you  
(I'm still in love with you)  
(I'm still in love with you girl)

The crowd is loud  
The music's strong  
The beat is fine  
'Til they play that special song

(Then I know)  
And then I know (Know for sure)  
I know for sure (I know for sure)  
I'm still in love with you  
(I'm still in love with you)  
(I'm still in love with you girl)

It's happens every time  
It happened many times before  
Just when I think I've forgotten you  
I only want you more-or-or-or

(Then I know)  
(I know for sure) (Know for sure)  
(I'm still in love with you) (I'm still in love with you girl)

It's happens every time  
It happened many times before  
Just when I think I've forgotten you  
I only want you more-or-or-or

I love you  
I love you  
I love you

I'm still in love with you  
I love you (I love you)  
I love you (I love you)  
I love you (I love you)

I'm still in love with you  
I love you (I love you)  
I love you (I love you)  
I love you (I love you)
