

Autumn Leaves

The Everly Brothers

The falling leaves
Drift by my window
The autumn leaves
Of red and gold

I see your lips
The summer kisses
The sunburned hands
I used to hold

Since you went away
The days grow long
And soon I'll hear
Old winter songs

But I miss you most of all my darling
When autumn leaves start to fall

Since you went away
The days grow long
And soon I'll hear
Old winter songs

But I miss you most of all my darling
When autumn leaves start to fall
When autumn leaves start to fall
