

Carol Jane

The Everly Brothers

Carol Carol Carol Jane
You're the one I love
Carol Carol Carol Jane
Came from above

Eyes of blue know she's true
Carol Carol Jane
Ah-love, Ah-love, Ah-love you

You make me sing
Of joy you bring
I want our name
To be the same
Carol Jane

I want the world to know
That I still love you so

Carol Carol Carol Jane
You're the one I love
Carol Carol Carol Jane
Came from above

Eyes of blue
Know she's true
Carol Jane
Ah-love, Ah-love, Ah-love you
Ah-love, Ah-love, Ah-love you
Ah-love, Ah-love, Ah-love you
