

# Donna, Donna

The Everly Brothers

[Chorus]

Donna, Donna, why'd you want to do that?  
You led me on and lured me off  
Then you turned me down flat, da-da, da-da  
Donna, Donna, why'd you want to do that?  
You tempted me and tortured me  
And left me where I was at, da-da, da-da-da  
Donna, why'd you want to do that?

Well, when I met you at the dance  
You made me think you liked me  
I thought that we could find romance  
You even told me so  
You had that promise in your eye  
That made my heart get ready  
You built my hopes up to the skies  
And then you told me no

[Chorus]

Well, you really fed me quite a lie  
You really snowed me under  
I thought that things were workin' fine  
From every thing you said  
But when that Johnny boy came by  
He really stole my thunder  
When he gave you the bloomin' eye  
He really cut me dead

Donna, Donna, why'd you want to do that?  
You led me on and lured me off  
Then you turned me down flat, la-da, da-da  
Donna, Donna
