I'll Never Get Over You

The Everly Brothers

I'll never get over you
No matter how I try
I'll never get over you
Baby, unless I die

I live my life to the fullest I take my love where it lies I hold the girls they enjoy it But I always kiss them goodbye

I'll never get over you
No matter how I try
I'll never get over you
Baby, unless I die

At night I'm never lonely
I laugh and drink sweet wine
In the morning, I wake up smiling
A young man in his prime

I'll never get over you
No matter how I try
I'll never get over you
Baby, unless I die

I may live to be a hundred A long and happy life But there's one thing you can bet on I'll never have a wife

I'll never get over you
No matter how I try
I'll never get over you
Baby, unless I die

I'll never get over you
No matter how I try
I'll never get over you
