

# I Used to Love You

The Everly Brothers

I used to love you, not so long ago  
I use to love you  
But I can't pretend that I don't know  
Whenever I turn my back to go  
You're beatin' down somebody else's door  
And in my misery  
I let you torture me  
I used to love you  
But I don't love you anymore

I used to kiss you, I used to really care  
I used to kiss you  
But you don't want to treat me fair  
I just don't like to be treated so mean  
And you're the meanest thing I ever have seen  
I'm through with you  
So long, farewell, adieu  
I used to love you  
But I don't love you anymore

I can't stay with you  
The thing to do is run away from you  
I don't wanna play the game  
The rules don't stay the same  
I'm always the one to lose

I used to love you, not so long ago  
I use to love you  
But I can't pretend that I don't know  
Whenever I turn my back to go  
You're beatin' down somebody else's door  
And in my misery  
I let you torture me  
I used to love you  
But I don't love you anymore

No more, No more  
No more  
No more  
No more  
No more  
No more  
No more  
No more (No more)  
No more (No more)  
No more (No more, no more...)
