

## June is as Cold as December

The Everly Brothers

June is as cold as December  
June is as cold as December  
Here comes June  
A vision of loveliness  
When she smiles  
It's like a sweet caress  
Every boy she meets  
She sets his heart aglow  
They think she's the answer to their dreams  
But they don't know

June is as cold as December  
June has a heartache she remembers  
The pain of one untrue love  
Left her afraid of new love

June is as cold as December  
Here comes June  
The prettiest girl in town  
When she's near  
The boys all gather
