

Little Old Lady

The Everly Brothers

Little old lady passing by
Catching everyone's eye
You have such a charming manner
Sweet and shy

Little old bonnet set in place
And a Smile on your face
You're a perfect picture in your
Lavender and lace

Little bit of business here
Little bit of business there
Bet that you've been window shopping
All around the square

Little old lady, time for tea
Here's a kiss, two or three
You're just like that little old lady
I hold dear to me

Little bit of business here,
Little bit of business there
Bet that you've been window shopping
All around the square

Little old lady, time for tea
Here's a kiss, two or three
You're just like that little old lady
I hold dear to me
