Little Old Lady

The Everly Brothers

Little old lady passing by Catching everyone's eye You have such a charming manner Sweet and shy

Little old bonnet set in place And a Smile on your face You're a perfect picture in your Lavender and lace

Little bit of business here Little bit of business there Bet that you've been window shopping All around the square

Little old lady, time for tea Here's a kiss, two or three You're just like that little old lady I hold dear to me

Little bit of business here, Little bit of business there Bet that you've been window shopping All around the square

Little old lady, time for tea Here's a kiss, two or three You're just like that little old lady I hold dear to me
