

Lonely Weekends

The Everly Brothers

Well I make it alright
From Monday morning 'til Friday night
Oh oh oh those lonely weekends

Since you left me
I'm as lonely as I can be
Oh oh oh those lonely weekends

Said you'd be
Good to me
Said our love would never die
Said you'd be good to me
But baby you didn't even try

I make it alright
From Monday morning 'til Friday night
But oh oh oh those lonely weekends

Said you'd be
Good to me
Said our love would never die
Said you'd be good to me
But baby you didn't even try

I make it alright
From Monday morning 'til Friday night
But oh those lonely weekends yeah
