

My Mammy

The Everly Brothers

Mammy, mammy
The sun shines east
The sun shines west
But I just learned
Where the sun shines best

Mammy, mammy
My heart strings
Are tangled around
Alabammy
I'm a-comin'
Sorry that I made you wait
I'm a-comin'
Hope and pray I'm not too late

Mammy, mammy
I'd walk a million miles for one of your smiles
My mammy

Mammy, mammy
The sun shines east
The sun shines west
But I just learned
Where the sun shines best

Mammy, mammy
My heart strings
Are tangled around
Alabammy
I'm a-comin'
Sorry that I made you wait
I'm a-comin'
Hope and pray I'm not too late

Mammy, mammy
I'd walk a million miles for one of your smiles
My mammy
Mammy, mammy, mammy
