

# Nothing Matters But You

The Everly Brothers

Since we met, I sit around and want you  
I don't do the things I ought to do  
I'm so in love I let the world go by me  
Nothing matters but you  
Nothing matters but you

Every dream I dream, I dream about you  
Loving you is all I wanna do  
I'm so wrapped up that nothing can untie me  
Nothing matters but you

Most folks need a world to conquer  
Something big to do  
They don't know the worlds I conquer  
When I'm kissing you

Let them all go chasing after rainbows  
I have found my pot of gold in you  
Your love is all I need to satisfy me  
Nothing matters but you  
Nothing matters but you
