

# Release Me

**The Everly Brothers**

Please release me, let me go  
I just don't love you any more  
To live together is a sin  
Release me and let me love again

I have found a new love, dear  
And I'll always want her near  
Her lips are warm, while yours are cold  
Release me, please darling let me go

Please release me, let me go  
I don't love you any more  
To live together is a sin  
Release me and let me love again
