

See See Rider

The Everly Brothers

See see rider see what you have done
See see rider see what you have done
You made me love you now your man has gone

See see rider I won't be back 'til fall
See see rider I won't be back 'til fall
If I find me a new girl I won't be back at all
See see rider the moon is shinning bright
See see rider the moon is shinning bright
If I could just walk with you everything would be alright

See see rider see what you have done
See see rider see what you have done
You made me love you now your man has gone
