## See See Rider

## **The Everly Brothers**

See see rider see what you have done See see rider see what you have done You made me love you now your man has gone

See see rider I won't be back 'til fall See see rider I won't be back 'til fall If I find me a new girl I won't be back at all See see rider the moon is shinning bright See see rider the moon is shinning bright If I could just walk with you everything would be alright

See see rider see what you have done See see rider see what you have done You made me love you now your man has gone
