

## Sigh, Cry, Almost Die

The Everly Brothers

Sigh, cry, almost die  
I can't kiss you again  
This is the end  
You've had your fun and now it's done  
I can't love you again  
This is the end

You've had your fun and now it's done  
Love is a waste on you  
You couldn't keep it if you tried  
You go on being you  
You like to see me sit and  
Sigh, cry, almost die  
I can't kiss you again  
This is the end

You've had your fun and now it's done  
Sigh, cry, almost die  
I can't kiss you again  
This is the end

You've had your fun and now it's done  
You've had your fun and now it's done  
You've had your fun and now it's done
