

Stick With Me Baby

The Everly Brothers

Everybody's been a-talkin'
They said our love wasn't real
That it would soon be over
That's not the way that I feel

But I don't worry, honey
Let them say what they may
Come on and stick, stick with me, with me, baby
We'll find a way, yes, we'll find a way

Everybody's been a-talkin'
Yes, the news travels fast
They said the fire would stop burnin'
That the flame couldn't last

But I don't worry, honey
Let them say what they may
Come on and stick, stick with me, with me, baby
We'll find a way, yes, we'll find a way

Come on and stick with me, baby
Come on and stick with me, baby
Come on and stick with me, baby
Come on and stick with me, baby
