

## Stick With Me Baby

The Everly Brothers

Everybody's been a-talkin'  
They said our love wasn't real  
That it would soon be over  
That's not the way that I feel

But I don't worry, honey  
Let them say what they may  
Come on and stick, stick with me, with me, baby  
We'll find a way, yes, we'll find a way

Everybody's been a-talkin'  
Yes, the news travels fast  
They said the fire would stop burnin'  
That the flame couldn't last

But I don't worry, honey  
Let them say what they may  
Come on and stick, stick with me, with me, baby  
We'll find a way, yes, we'll find a way

Come on and stick with me, baby  
Come on and stick with me, baby  
Come on and stick with me, baby  
Come on and stick with me, baby
