That's What You Do to Me

The Everly Brothers

Bom do-dee bom do-dee bom bom bom ba do-dee
That's what you doin' to me
Bom do-dee bom do-dee bom bom bom ba do-dee
That's what you doin' to me

No matter where I go, no matter what I do
Your face is all I see
Since our first date, I can't think straight
Well that's what you do to me

I walk around with my head in a whirl
Like a ship on a stormy sea
I look into your eyes and I'm, hypnotised
Well, that's what you do to me

Oh, for your love
I'd pay cupid to give you a shove
It's so plain to see
Everyone knows what you're doin' to me

I'd like to tell you how I feel
But oh, golly-gee
My voice gets weak, when I try to speak
Well that's what you do to me

Oh for your love
I'd pay cupid to give you a shove
It's so plain to see
Everyone knows what you're to me

I'd like to tell you how I feel
But oh golly gee
My voice gets weak when I try to speak
Well that's what you do to me

Bom do-dee bom do-dee bom bom bom ba do-dee
That's what you do to me
Bom do-dee bom do-dee bom bom bom ba do-dee
That's what you do to me
Bom do-dee bom do-dee bom bom bom ba do-dee
That's what you do to me...
