

The Girl Can't Help It

The Everly Brothers

If she walks by and the menfolks get engrossed
The girl can't help it!
If she winks an eye and bread slices turn to toast
The girl can't help it!
If she's got a lot of what they call the most
The girl can't help it if she was born to please
And if she's got a figure made to squeeze
Won't you kindly be aware
The girl can't help it!
If she mesmerizes ev'ry mother's son
The girl can't help it!
If she smiles and rare steaks become well done
The girl can't help it!
If she makes grandpa feel like twenty one
The girl can't help it!
The Girl can't help it if she was born to please
And if I go to her on bended knees
Won't you kindly be aware, that I can't help it
Because I'm hopin' obviously
That someday the answer will be
The girl can't help it if she's in love with me!
