Why Worry

The Everly Brothers

Baby, I see this world has made you sad Some people can be bad The things they do, The things they say

But baby

I'll wipe away those bitter tears
I'll chase away those restless fears
That turn your blue skies into grey

Why worry,

There should be laughter after pain
There should be sunshine after rain
These things have always been the same
So why worry now
Why worry now

Baby, when I get down I turn to you And you make sense of what I do I know it isn't hard to say

But baby

Just when this world seems mean and cold Our love comes shining red and gold And all the rest is by the way

Why worry,

There should be laughter after pain
There should be sunshine after rain
These things have always been the same
So why worry now
Why worry now

Why worry now
