

You're the One

The Everly Brothers

You're the one, honey
You're all the woman that I want or need
Whenever you hold me tight
You make my whole world feel so right
You're the best girl under the sun
You're the one hon', the only one
You're the one, honey
There ain't a thing about you that don't please
When we kiss I get a chill
To see you walk gives me a thrill
All my searchin' day's are done
You're the one hon', the only one
I've gone with a lot other girls
And I thought I knew the score
But I've never felt the way you make me feel
With anyone else before
You're the one, honey
You're all the woman that I want or need
Whenever you hold me tight
You make my whole world feel so right
You're the best girl under the sun
You're the one hon', the only one
You're the one hon', the only one
You're the one hon', the only one....
