

# Aeroplane

the everybodyfields

Time will forget your name  
And float away in a poker game  
The best you can hope for  
Is to go in your sleep  
Can you take me to the stairs  
Give me just a little one  
I will be quiet all the way  
Falling like an aeroplane  
Life has the sweetest refrain  
And if it calls for you, go

I had a dream where I went to your room  
And I cut off my hand  
And I let go of the blood  
What were you thinking  
And were are you just tired  
I was holding your hand while  
You pushed the wheel forward all the way  
Falling like an aeroplane  
Life has the sweetest refrain  
And if it calls for you, go

You do what you want to do  
I will be right here waiting  
What holds me up  
Is going to burn me in the turnaround  
Downtown I'll see you downtown  
You do what you want to do  
I will be right here waiting  
What holds me up  
Is going to burn me in the turnaround  
Downtown I'll see you downtown
