

Alright, alright everything is just fine  
Here comes here comes a bundle of hiss  
Alright, alright everything in my life is so  
Fucked up fucked up I'm losing my grip

Some days I bleed, I fall like stone  
I'm always afraid, I feel so alone,

Got a false sense of security  
Giving me a real sense of insecurity  
Messing with my head now, head down  
What the fuck is wrong with me  
A false sense of security  
Is fucking with my head

Attention, attention everybody look at me  
Stand up, stand up, I need your belief  
Rejection, rejection always seems to follow me  
Head down, I need some relief

Some days I bleed, I fall like stone  
I'm always afraid, I feel so alone,

It's easy to see, I'm flat on my back  
I sigh and I scream, I'm under attack  
And some days I bleed, I fall like a stone  
I'm always afraid, I feel so alone

False sense of security  
Giving me a real sense of insecurity  
Messing with my head now, head down  
What the fuck is wrong with me  
A false sense of security  
Is fucking with my head  
It's fucking with my head
