Lay Your Money Down

Come Lay Your Money Down Constant Wave Of sound This is not necessary This is not ordinary This is my last confession This is for my own protection now Come lay your money down Sick of this, i'm Sick of hurt and Shame is such a dirty word Strung Out And Falling down This is not necessary This is not ordinary This is my last confession This is for my own protection now Come lay your money down Sick of this, i'm Sick of hurt and Shame is such a dirty word It's a dirty word... We have no leader now Punch the ballot For the talking heads they sold Like the cars, the pills, the booze, and the soap that cleans y our soul The tv reality shows you what's a stake So cry like you mean it till the next commercial break. And consider yourself for the wealth and consumption.
