The Expendables

Oh please
Don't make me feel this way
Not right now
But I can see it in your face
And I can tell you
What you mean to me
But I'm afraid to
Cause you might not agree
And I imagine that you heard
Cause I don't want to be the one to tell it first
Oh I, I, I,
Oh I, I, I,
I've never seen you like this
Oh I, I, I,
Oh I, I, I,
Wanna give you one last kiss
Oh see
Things from my perspective
In many ways
It was my first time too
So don't hate me
Cause I'm that fool
I never meant to
Be that cruel
And I imagine what you think
I prey to god that your
Heart doesn't sting
I don't really wanna make things worse
This is the only way
I can keep from bursting
I wish you could see me
Why don't you look at me
I can't call you on the phone
It's been this long
And we're so remote
So behave babe
I know your just fine
You haven't escaped me
Cause in this world I'm blind
