

## Sacrifice

## The Expendables

Where I would have been with a different plan  
Like the tide upon the sand  
It washed away from me  
Opportunities to where I stand  
Sometimes I feel so empty handed  
'Cause we're not the only ones  
Who will understand me

Ohhh... It's such a sacrifice inside  
Ohhh... Somebody clear these stormy skies  
We'll never ever lose sight of our goals  
Won't let go  
And even though were a little bit older  
The truth is colder  
Got to work... got to make that money  
I hope it's something  
'Cause we're not the only ones  
Who can make this happen

Ohhh... It's such a sacrifice inside  
Ohhh... Somebody clear these stormy skies

The current is so strong  
And I can't fight no more  
And how I long to be  
On that stable shore  
If we could only step outside the shade  
And in the games we play  
The threat of uncertainty  
Has carried me out to sea

Ohhh... It's such a sacrifice inside  
Ohhh... Somebody clear these stormy skies
