

# Sleeping Aides And Razorblades

The Exploding Hearts

Well i felt so bad when i heard that song,  
ya know it's been such a long long time,  
it's a little offbeat and it ain't in tune ya know it's  
just like this heart of mine

And it hurt  
when you went away  
and all i wanted you to do was stay

Going steady ya we had big plans,  
but your friends said it wouldn't last,  
it was up to you to prove them wrong,  
but you couldn't even do that

And if it hurt, when you left,  
ya know you're only hurtin' yourself

Ya know the first night you left me babe, it was so  
hard,  
and it didn't hurt you told all my friends i'm a retard

And ya say you know what's best for me,  
well if you got your way, i'd have a lobotomy

I got new girls and i'm runnin' around,  
the house doesn't look the same,  
i hung new posters on my wall and the dog don't  
remember your name

And if it hurt, when you left,  
ya know you're hurtin' yourself

You can try to change your heart, that's true,  
but ya never ever ever do

Ohhhh baby you never ever do  
I'll tell you something, you never ever do

Sleeding aides  
and razorblades,  
tear stained pictures of younger days,  
broken mirrors and a bloody nose,  
late night tv rerun episodes
