

So Bored

The Exploding Hearts

I sit alone and desperate tonight,
Got a hole in my heart, but that's alright.
I'm figuring out the words to say,
Words that are gonna make you stay.
Words that I hid from you,
Words I never said to you.
Everyone knows,
That I still love you.
Somehow it shows,
I can't get over you.

Tell me what I gotta do,
I'll make it up to you.
But if you walk out that door,
You'll never hurt, no.
It was just a waste of time,
Yeah, it was just a waste of time,
You were just a waste of time,
But I don't mind.

I tell you of my misery,
Tell you I was blind but now I see.
Tell you that I was so wrong,
Tell you that it's been too long.

Whatever happened to,
"I love you too"?
But if you walk out that door,
You'll never hurt, no.
It was just a waste of time,
Yeah, it was just a waste of time,
You were just a waste of time,
But I don't mind.

You say that now you see,
And I ask if you still love me?
You say that you don't know,
Why don't you know!

It was just a waste of time,
Yeah, you were just a waste of time,
But I don't mind.
