Tarantulas Attack

The Explosion

3000 miles away you can hear the sirens sound dirty eggs are hatching they're running all over town

tarantulas attack
cities fall we're fucking maniacs
tarantulas attack

from new york to san francisco you can hear them crawl around got you by the ankles reaching up from underground

tarantulas attack missiles do nothing eight legs and hairy backs tarantulas attack

tarantulas attack missiles do nothing eight legs and hairy backs tarantulas attack
