

## See You Tonight

The Eyeliners

Last night\*San Francisco  
Tonight we're in LA  
30 Days untils I see you  
Hearing your voice is not good enough  
I wish I could be seeing you tonight  
I'm thinking of the time  
That I saw you last  
Time has passed me by too fast  
I think of yesterday  
It seems so very far away  
I wonder if you think of me  
I wish you were here with me  
So here we go-c'mon let's go  
Last night\*New York City  
Tonight\*Pittsburg, PA  
20 Days until I see you  
Hearing your voice is not good enough  
I wish I could be seeing you tonight  
The days turn into weeks, Weeks to a month  
And you're still the one I'm thinking of  
We're driving farther, but we're getting closer everyday  
Blut still we're having so much fun  
It feels like it has just begun  
So here we go-c'mon let's go  
Last night we're in Chicago  
Tonight we're in Greenbay  
10 Days until I see you  
Hearing your voice is not good enough  
I wish I could be seeing you  
Tonight you seem so far away  
But I call you 'cause you say  
You stop, drop everything  
When the phone begins to ring  
How are you today?  
Is everything okay?  
Before you go, there's one thing you should know  
That there's no one that I'd rather go with to a  
Punk Rock Show  
Hearing your voice is not good enough  
I wish I could be seeing you tonight
