

Wishing On A Star

The Eyeliners

Feels like we're worlds apart
You're always in my heart
I close my eyes and I wish
On a shooting star

Endless kaleidoscope
Array of dreams and hopes
I wait for the next time
I will see you

[Chorus]
Late at night
Lights in the sky
Catch my eye
And I wonder where you are
Do you see it too?
I think of you
When I'm wishing on a star

Can't get you off my mind
Can't sleep, can't unwind
My heart is racing
And I just cannot keep up

Another restless night
The stars are shining bright
As I look out my window

[Chorus]

Big city lights
Desert sunset sky
I think of you
I wonder where you are

Another restless night
The stars are shining bright
I think of you
When I'm wishing on a star
